RE: Complaint of Robin Kim Wyatt
File No. 06-2785

Dear Referee Onkotz:

This shall serve as a public letter reprimand pursuant to your agreement with the Investigative Panel of this Court.

The reprimand relates to your signing and entering three separate findings and recommendations relating to paternity and child support in Sullivan County Juvenile Court case N3301 in March 1996, July 1996, and July 2001. Your son and grandson were parties in this case. This constitutes a violation of Canon 3E(1)(d) of the Code of Judicial Conduct because of your kinship with these parties.

Thus, this letter serves as a public letter reprimand for these actions.

Sincerely yours,

J. Steven Stafford
Presiding Judge
